

## **Direct Deposit & Pre-Authorized Debit Information**

If you're setting up direct deposit into your account or a pre-authorized payment to come out of your account, you'll be asked to provide your banking information. Simply complete Page 2 and provide it to the company depositing funds into your account or withdrawing payment. Page 2 can be printed and signed, or e-signed (if accepted by the third party) and used in place of a void-cheque.

### How to find your banking information:

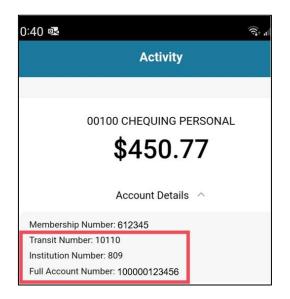

## **Online Banking**

- Click on your account in the Account Summary list.
- Your banking information will be displayed in the expanding Account Details section.

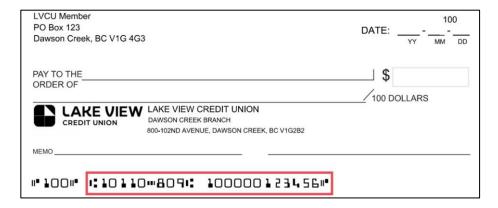

## Mobile App

- Click on your account in the Accounts list.
- your banking information will be displayed in the Account Details section.
